CAT(S) ADOPTED:							
Code / Name	Origin	Age	Sex	Description	Vet	Date	Services

In consideration for adopting the above cat(s), I agree to the following conditions:

- To provide the cat(s) with adequate shelter that is dry and draft-free.
- To provide nutritious cat food daily, with an adequate amount for each cat (approximately one-half cup per cat).
- To provide fresh water daily.
- To provide veterinary care if needed. HHPR will provide traps and discounted vet services when/if needed. For southern Maine barn locations, HHPR will provide some reimbursement assistance if any HHPR barn cat requires additional medical care.
- If for any reason I can no longer keep the cat(s), I will contact HHPR, which will arrange for a new home. In no event will I sell, give away or relocate the cats without HHPR permission. If this is a Maine location outside of south or central Aroostook County, I shall call the Friends of Feral Felines for any needed assistance in transferring the cats. FoFF 797-3014
- I will allow follow-up telephone calls from HHPR and a follow-up visit if requested.
- I will be financially responsible for any borrowed equipment not returned to HHPR within 30 days of adoption.
- I understand that a certain percentage of barn cats will not stay at their rehoming location. I agree to feed for several weeks even if I do not see the cat(s), to determine whether they have actually left the area.
- If any provisions of this contract are broken, HHPR has the right to trap the cats and take them back.
