TREATMENT AT THE CLINIC: SPAY OR NEUTER, DISTEMPOR & RABIES VACCINATIONS, 30-DAY FLEA PREVENTION, NAIL TRIM, EAR CLEANING, TREATMENT FOR EAT MITES & WORMING IF NEEDED. Approx. Value \$225. **DONATIONS TO THE SPAY/NEUTER PROGRAM ARE GREATLY APPRECIATED.**

If you cannot afford a donation, we will do your cat anyway. However, because the state of Maine is NOT giving out vouchers our costs have more than doubled which risks the continuation of the Free Clinics. We ask at least \$50.00 for a female and \$35.00 for a male cat. Please give what you can to help keep this program going in the future. Thank you.

Please do not feed your pet after midnight the night before surgery. It can have water.
